

**RENTON LIONS CLUB
2010-2011 Committee Sign-up List**

Following is the list of our various committees. Some of the committees are instrumental in raising the funds to support our service projects. Others might deal with service, the management and maintenance of the Youth Camp, or club organization. And, some are geared to more social events. In other words some are lots of work, some are lots of fun, some are both, but all are necessary and worthwhile. If we are to have a successful club, we need committees to make things happen. Please look at the descriptions and sign up for several committees. Step out of the box...try something new. Or do what you have done before and feel comfortable with. The form will be made available, in hard copy, to those without e-mail. For those with e-mail, it will be e-mailed for your further consideration. In either case, a timely response will be sincerely appreciated. Please, do not hesitate to indicate if you have a desire to chair or co-chair a particular committee.

The committees are arranged alphabetically, not by importance...they're all vital!! Numbers indicate number of Lions on a committee, not order of hierarchy. Not enough spaces to add your name? Add it in the margin, and we'll reorganize the form. Thanks, in advance, for volunteering to participate.

BADGES/PINS/UNIFORMS

Responsible for orchestrating the selection of uniforms for the club, securing sources for purchase, and coordinating purchase.. Responsible for the further development of club pin and/or name badge, placing orders and coordinating purchase.
